The Jerome Goldstein Scholarship Intern Opportunity
Rutgers EcoComplex
“Alternative Energy Innovation Center”
Summer 2014

The Jerome Goldstein Scholarship for EcoEntrepreneurs will support student research interns at the EcoComplex - Rutgers University’s Alternative Energy Innovation and Environmental Research & Extension Center, during Summer 2014.

The Goldstein Scholarship was established to support student interns working on projects that integrate sustainability, innovative alternative energy systems, waste management technologies, Life Cycle Analysis (LCA) and/or enterprise development.

Scholarships will be awarded to graduate and undergraduate students based on academic merit. The full-time internships will run from June through August 2014, and be based at the EcoComplex in Bordentown, NJ. The internships will be designed such that the students will gain valuable technical and entrepreneurial experience in one or more of the areas mentioned above.

Interested students must apply by March 21, 2014. Applications for the Scholarship are available on the EcoComplex website: http://ecocomplex.rutgers.edu or by contacting Dr. Serpil Guran, Director, EcoComplex, at guran@aesop.rutgers.edu or 609-499-3600 x4225.
